

**Sigma Theta Tau International Honor Society for Nursing  
Quinnipiac University ~ Tau Rho Chapter  
Spring Program**

**The Doctor of Nursing Practice: The Future of Advanced Nursing**

**Guest Speaker**

**Lynn Price, JD, MSN, MPH**

**Associate Professor and Nursing Department Chair  
Quinnipiac University**

Are you planning to continue your nursing education? Do you want to learn more about the Doctor of Nursing Practice? Please plan to attend a lively discussion to learn more about how the DNP will change the preparation of advanced practice nurses. Lynn Price, nursing department chair, and family nurse practitioner will present a historical perspective of the development of the DNP. She will also discuss what this new degree holds for the future of nursing and healthcare. There will be ample time for audience participation.
